Sept. 1969 to Oct. 1995:

Agency:

Weber Human Services

Position:

Mental Health Youth Program Administrator

Chief Duties:

Administrator of the Youth Program, which included mental health program management and supervision of 25 clinical staff. Professional and supervisory involvement in the six basic areas of inpatient, residential treatment, outpatient, day treatment, consultation and education and emergency services. Specific duties in the above services include treatment ranging in severity from psychosis to short-term situational disturbances, using all treatment modalities. Other duties with the Mental Health Center included consultation to community agencies, Student Field Work Coordinator for the agency, public education and speaking duties, and miscellaneous other consultative and program development assignments, including participation on advisory and supervisory boards. Prior duties also involved providing treatment to adults and emergency services.

Grants

Developed:

Consultation and Education Program Grant

Renaissance Program Grant

Tracker Program Grant

Nova Program Grant

Head Start Consultation Contract

1968 to 1969:

Agency: Division of Family Services

Position: Child Welfare Worker

Chief Duties: Working with children of all ages who had experienced parental neglect and/or abuse (including sexual abuse) and/or desertion. Working with ungovernable children; duties also included counseling families, foster parents, and adoptive parents. Duties required close collaboration with the Juvenile Court and other community agencies. Other duties included conducting a periodic training program for prospective foster parents, adoptive home studies, and custody evaluations.

1967 to 1968:

Agency: Utah State Industrial School

Position: Graduate Student – Supervised field work placement with the purpose of fulfilling some of the requirements of a M.S.W. degree.

Chief Duties: Working in a correctional institution with children manifesting delinquent and/or ungovernable behavior. Duties involved working with children and their families.

Methods Used: Individual therapy, group therapy, and conjoint family therapy.

Summer 1967:

Agency: Division of Family Services

Position: Supervisor in the Summer Work Experience and Training Program

Chief Duties: Supervising college sophomores and juniors in the fundamentals of social casework. This position also included a supervisory training course provided by the University of Utah.

1966 to 1967:

Agency: Davis County Pupil Personnel

Position: Graduate Student – Supervised field work placement with the purpose of fulfilling some of the requirements of a M.S.W. degree
